

We've got you covered with quality service and superior support

Through Hytec's partnership with **Electronics For Imaging**, we are able to offer expanded after-market support to the Office Imaging Industry. We work closely with EFI to provide you with quality-driven repair and exchange options to allow you to better support your EFI Fiery products. We are now offering two service options, to allow you to make the best choice in serving your customer:

Circuit Board Repair

- + Technical Support Hotline
- + Video, Motherboards & Power Supplies
- + Repair & Replacement HDDs
- + Motherboard Repairs include Repair and Re-Kit for Proper Installation Procedures
- + All Repairs Include One-Year Warranty

Whole Server Repairs

- + Reduce Trouble-Shooting Time at Customer Location
- + Reduce Mis-Diagnosis & Multiple Service Calls
- + Flat Diagnostic Fee with System Software Re-load of \$330. Plus, Repair of Faulty Boards at Hytec Catalog price

*If unrepairable, replacement cost will be provided.

- + 30-Day Diagnostic Warranty, One-Year Board & HDD Warranty and Re-Kit for Proper Installation Procedures
